

Here's a great solution to travelling with that heavy bag of clubs. This great new company will deliver a fresh new set to your hotel, no hassles. They offer service in the golf heavens of Arizona and Florida, with more locations coming in the future.

The Perfect Solution to the \$50 Checked Baggage Fee! Now Available
throughout Florida and Arizona!!

The dread of maneuvering through crowds and airport security with a golf bag, the hassle of retrieving clubs from separate baggage claim areas and the fear they may be damaged by overzealous baggage handlers have all been legitimate worries ... until now. Whether you're traveling to Florida or Arizona for business and want to sneak in a quick round of golf, or planning a family vacation and need to carry a child instead of your golf bag, the perfect set of golf clubs is just a click away! GolfClubsAway.com lets golf enthusiasts rent a customized set of golf clubs and have them delivered right to their hotel or course, for a fraction of the cost of golf course rentals. You get the clubs you want, not just the limited selection at the course, without paying exorbitant checked-baggage fees!

GolfClubsAway.com delivers a full set of the latest models of top name brands to the hotel or course of your choice. With GolfClubsAway.com, customers experience the ease of online rental and the luxury of true VIP treatment. In just a matter of minutes orders can be made online before traveling (ideal for those who want their clubs waiting for them upon arrival) or anytime during their stay. Delivery to and from the hotel or golf course is free and clubs are guaranteed to be in top condition. GolfClubsAway.com's one of a kind service is currently available throughout Florida and Arizona, with more locations to come.
