

Ladies: Have you had enough vacations full of those loud, gross, hairy, horny creatures who insist on taking charge of everything when you travel together? Your solution can be a vacation on SuperShe Island.

It's a cool private bit of land off the Finnish coast in the Baltic Sea. Guests enjoy spas, saunas, nude bathing/sunning and other daily health activities, as well as special dining, nature studies and other women-only happenings. For schedules, prices and other info, go to supersheisland.com
