

The beautiful tourist attraction is a frequent destination of your travel4seniors.com editor. Several times it was difficult to get around Venice due to seasonal flooding at St. Mark's Square and other popular tourist sites. In recent years the situation has been getting worse, and there are dire predictions that it could become a disaster.

If you're planning a visit to Venice, keep up on the latest news about the weather and possible flooding problems. www.theguardian.com/cities/2019/apr/30/sinking-city-how-venice-is-managing-europes-worst-tourism-crisis
