

Not many of us can remember way back to the days when meals and drinks were served like an upscale restaurant on US trains. Gradually over the past decades, that all became quick snacks. Now Amtrak has officially discontinued waiter-served meals.

If you're planning a long railroad ride, buy snacks aboard or be sure to pack your meal and drinks . Be content to enjoy them in your regular seat. www.usatoday.com/story/travel/2019/09/27/amtrak-dining-car-alternatives-napa-valley-wine-train-conway-scenic-railroad
