

Q: On our trip to Tokyo next month, our schedule includes a six-hour layover at Los Angeles. Are there short tours, such as to Hollywood and the beaches, available from and return to the airport? RLMcL, Newark NJ

A: Check the internet for companies that specialize in quick and layover tours to and from Los Angeles International Airport. Costs start at about \$100 for a three-hour tour. Example: www.viator.com/tours/Los-Angeles/LAX-Layover-Tours-Hollywood-Beverly-Hills-Santa-Monica-and-more
