

These are just a very few of the hundreds of senior deals you can get in world wanderings that will save you cash. Therefore, when the price is quoted, don't ever, ever forget to ask: How much is the senior discount?

Southwest Airlines: Discounts for age 65+

Alamo Car Rental: Up to 25% off for AARP members

National Parks Senior Lifetime Pass: \$10 gets you in all

Amtrak: 15% off for age 62+

Of course, when dining at your favorite, overpriced restaurant, always ask the magic question when you receive the outrageous tab.
