

Top10links, a website that specializes in rating various businesses, including online services, recently listed its choices of the best online travel agencies. They're rankings were:

1. Expedia
2. Priceline
3. Hotwire
4. Cheap Tickets
5. Orbitz
6. Travelocity
7. OneTravel
8. Places To Stay
9. Travel Now
10. Lowestfare

Travel55plus somewhat agrees with the ratings, maybe with a leapfrog or two in ranking, but all of the agencies are hotly competing for senior travel business. With air, cruise and hotel prices at their lowest level in years, savvy seniors can surf the internet to find the very best bargains.

Before you book your next travel plans, check with your favorite online agency and you'll be happy and surprised with the great deals you'll find.
