

While wandering around the USA, you often make quick stops for breakfast, lunch and dinner. When you flash an AARP card, it could take 10% or more off the bill. Many chain eateries offer senior discount deals.

Included among them are Taco Bell, Denny's, McDonald's, KFC, Dairy Queen, Dunkin Donuts, IHOP, Jack in the Box and many others. With AARP card or not, when you order food in any restaurant from Miami to Seattle, always ask firmly and politely: Is there a senior discount?
