

To many visitors, Sin City is the last place on earth to find heavenly guidance. However, by last count, Las Vegas and surrounding communities include the following houses of worship: 19 Baptist, 10 Lutheran, 10 Methodist, 9 Synagogues, 3 Episcopalian,, 3 Islamic, 2 Seventh Day Adventist, 2 Latter Day Saints, 2 Foursquare and a Church of Scientology.

If you're in town with one of your more freaky relatives, you could recommend a visit to the Las Vegas Pagan Information Exchange. For more information on churches and their services, check with the Las Vegas Chamber of Commerce (www.lvchamber.com) or at your local church branch.
