

*Captain Spaulding (Groucho): While on safari, early one morning I shot an elephant in my pajamas. How he got into my pajamas, I'll never know. (Animal Crackers 1930)*

PJs for those weary travelers who book long overseas flights with Los Angeles as one of the destinations. The airline offers a full set of pajamas for its Delta One business class passengers to wear while snoozing on their flat-bed seats. The PJ flights from LAX are to SYD and PVG (Sydney and Shanghai).
