

On your next visit to this Asian nation, don't forget to choose a favorite or two from the menu. Here are just a few: kimchi, samgyeopsal, jjajangmyeon, chimaek, gwanghwamunjip jjigae, tteokbokki, gopchang, samgyetang, bibimbap, gimbap, doenjang, gamjatang, haemul pajeon and sundae. That last one isn't ice cream, but sausage stuffed with pig intestine, lungs and liver. Er...yummy?
