

San Francisco doesn't own all the beautiful hilly city scenes. This is Olive Street, as viewed from Santa Monica Boulevard, as it reaches up to Sunset Boulevard and the Hollywood Hills.

We beg to differ with Nat King Cole's lyrics about Route 66. He sang: *Get your kicks on Route 66. It winds from Chicago to L.A.*

The famed 2,500-mile highway, which does start in Chicago, actually ends in the city of Santa Monica at the Pacific Ocean. This scene is at about the 2,490-mile spot.
